

TEACHER OF THE MONTH - October 2014

Judy Birk, Twin City Elementary Librarian

Nominated by: Katie Pickrell

Judy is an amazing teacher and has played many roles in her years of teaching: from Special Education teacher, to mixed Special Education and general education teacher, to 1st grade teacher, and now to Librarian and ELL support teacher. Judy is happy to fill any role she is needed for and always has the best interest of students, our school, and the community at heart. Her ability to navigate teaching library skills, reading, language arts, and technology skills to students at every grade, with the busy schedule she has is amazing! She always offers to spend her limited time between classes to help the students who are struggling or need additional support. She is an amazing teacher and has helped to create lifelong learners in the many students who are fortunate enough to have her in their lives.

Her leadership, honesty, and support for our school, staff, and students helps to make Twin City a great place to teach and learn. The Twin City Library is the heart of our school, and Judy has the biggest heart for our students, and a passion for helping everyone learn. She truly deserves this honor, and I hope you consider her for Teacher of the Month!
