

CLASSIFIED EMPLOYEE OF THE MONTH FOR SEPTEMBER

Annie Houk – Stanwood Elementary Secretary

Nominated by: Debbie Carr

As my youngest child enters her last year in elementary school, I will always remember Annie Houk is the reason I chose public school over home schooling. She has been a huge help, comfort and mentor to me.

Annie's passion for the kids and her willingness to go over and beyond has been the inspiration for me wanting to volunteer as much as possible. With her encouragement, I now sub in the district on a regular basis. I am a volunteer who is in the school weekly, if not daily.

I see Annie interacting with students and parents. She is professional, warm, caring and a wealth of knowledge. Her title as Secretary does not begin to describe what she does for Stanwood Elementary, the staff, and the children!

I would be glad to continue raving about Annie Houk, if you have any doubts!
