Emergency Late Start Protocol for Classified Employees

- ❄️ **The expectation for all classified employees is that the employee will report to his/her job site at his/her regularly scheduled time unless notified otherwise by the supervisor.** In case of severe weather conditions or other emergency situations that prohibit you from meeting this expectation you are required to notify your supervisor/principal immediately. If an employee is delayed due to safety or weather-related cause they should contact their administrator, supervisor or office manager to advise them that may arrive late due to road conditions. Employees who are unable to report to work must contact their immediate supervisor to report the absence and the reason and enter the absence on Substitute Online.
- ❄️ **Maintenance & Grounds** ~ Employees in this classification need to call the Maintenance Supervisor on his cell phone rather than his office phone if they are unable to report to work on time.
- ❄️ **Custodial** ~ Custodians will report as scheduled and should call their Building Principal/Supervisor on their cell phones rather than their office phones if they are unable to report to work on time.
- ❄️ **Transportation** ~ Drivers will arrive as directed by the Transportation Supervisor. The auto dialer will be used to notify drivers of changes in work schedule. Employees in this classification need to call the Transportation Supervisor at 360 629-1229 if they are unable to report on time.
- ❄️ **Para-educator/Secretarial/Security** ~ Employees will typically be notified by phone tree per building protocol. Employees in these classifications need to call their assigned building office if they are unable to report on time.
- ❄️ **Food Service** ~ Employees in this classification need to call the Director of Food Service on his cell phone rather than the office phone if they are unable to report on time.
- ❄️ **Technical/Professional** ~ Employees in this classification need to call their immediate supervisor as directed if unable to report on time.
