***Parent Questionnaire***

Health and family information:

Why are you requesting early entrance for your child?

Has your child attended a preschool program or group daycare?

What kinds of activities does your child enjoy?

What are your child's particular strengths?

What are your child's particular weaknesses?

Does your child separate easily?

How does he/she socialize in group situations?

Areas that will be screened using the Developmental Indicators for the Assessment of Learning - 4 (DIAL – 4) are motor (gross and fine), concepts (early mathematic skills), language (early literacy skills), self-help and social.

Children whose performance falls within the 85<sup>th</sup> percentile or above in at least 4 of 5 areas screened, and whose fifth area falls within the 50<sup>th</sup> percentile or above will be recommended for kindergarten this coming fall.
