Re: Interdistrict Cooperative Agreement

Attached for your approval is a copy of the Interdistrict Cooperative Agreement between Northwest Career & Technical Academy and the Stanwood-Camano School District. This is an ongoing agreement that is renewed annually and greatly benefits the students in our district.

This agreement will be utilized in the case where it serves a student in their best interest to attend the skills center at Northwest Career & Technical Academy. Prior to a student enrolling at the skills center, it will be determined that the placement is in the best interest of the student without fiscally impacting the Stanwood-Camano School District. I have been assured that whether or not any student attends the skills center, there will be neither a participation fee nor other fees assessed to our school district.

Recommendation: That the Board approves the 2020-21 Northwest Career & Technical Academy Interdistrict Cooperative Educational Services Agreement.
