## MEMORANDUM

**TO:** Board of Directors

**DATE:** March 2, 2021

**FROM:** Lloy Schaaf, Ed.D.

**RE:** District and School Improvement Plans

**TYPE:** Action Item

Attached, please find the District Improvement Plan (DIP) and the School Improvement Plans (SIP) for the 2020-21 school year. These plans are addendums to the plans submitted last year prior to the pandemic. The plans address actions steps from now through the beginning of the school year next fall. As we have learned during the time in the pandemic, it is quite likely that the schools and district will need to monitor and adjust plans and action steps as the next few months progress. There are many common themes in the elementary plans which are reflective of the collaboration necessitated through this unprecedented time during the pandemic.

Recommendation: That the board approves the District Improvement Plan and School Improvement Plans as attached.
