Data is collected on different timelines throughout the year. To provide the most current data possible, each measure is updated as data becomes available.

What percent of students met standards, by student demographics?

Given the flexibility offered by the U.S. Department of Education, the Spring 2021 assessments were administered in Fall 2021.

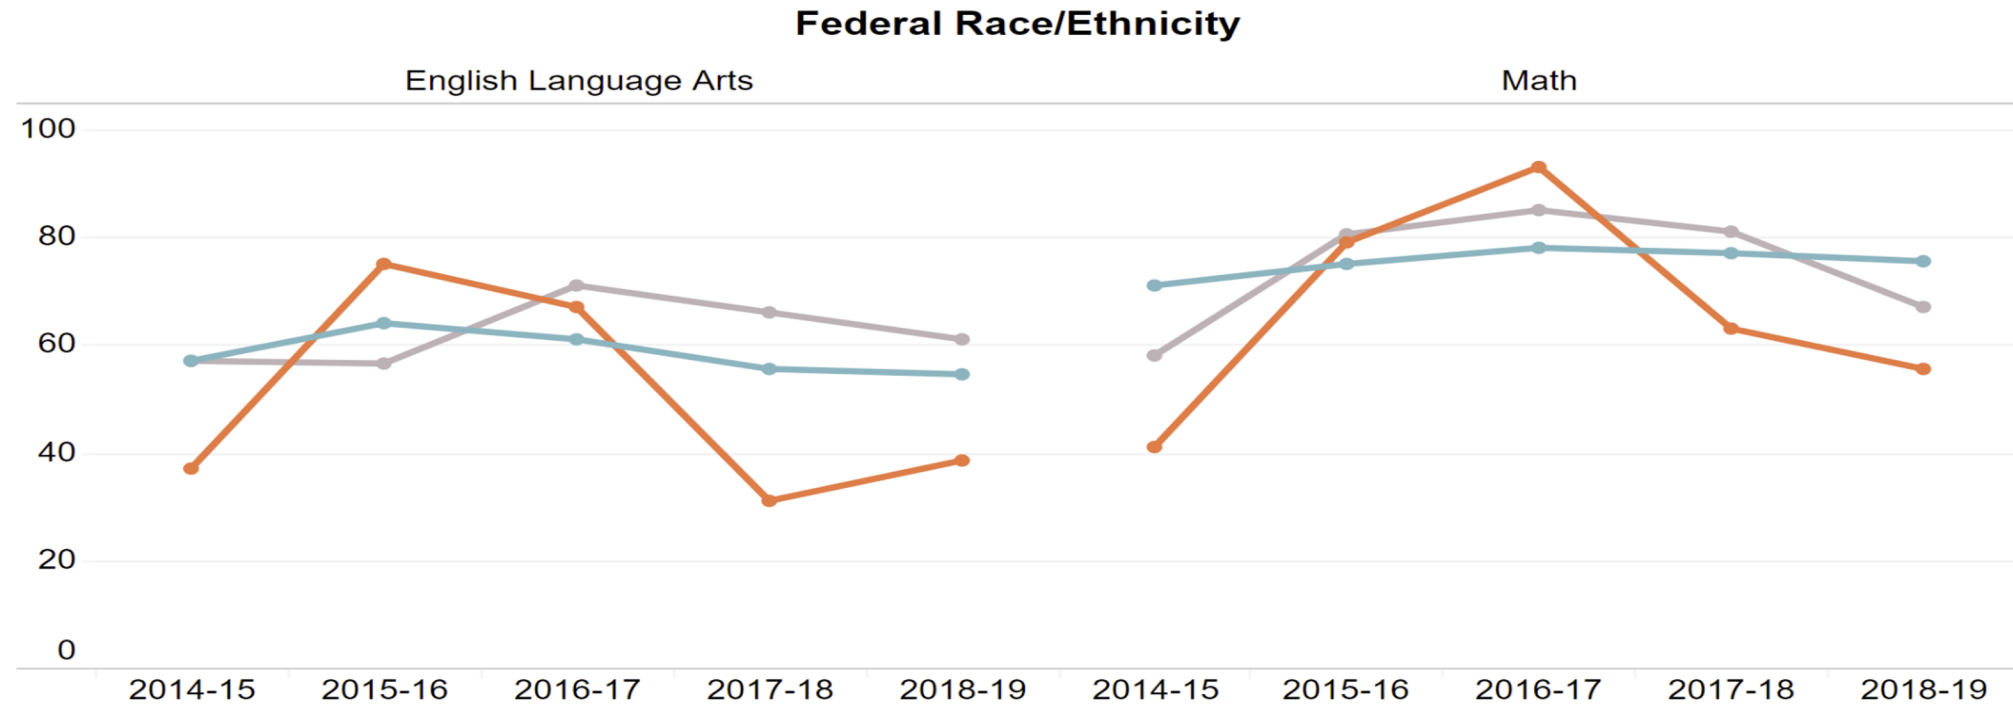

Cedarhome Elementary School Fall 2021

How has student learning grown over time ,by student demographics?

Due to early school facility closure and the suspension of end of year testing, 2019-20 student growth data will not be available.

English Language Arts

Math

What percent of students had fewer than two absences per month, on average, by student demographics?

Cedarhome Elementary School 2020-21

One School Highlight

- Students, Staff and Families Perseverance

School Goal & Next Steps

- Continue to work effectively to account for learning loss that has occurred over the last two years. This will be accomplished through a viable School Improvement Plan and yearly Annual Action Plans.
