3rd Grade Summer School Reading Program

- 39 Students attended regularly
- Focused on reading fluency
- Average growth of .2 reading levels
- From Teacher “Thank you for letting me be a part of this summer reading program for the second year. I love building the relationships with the older kiddos. They really are the sweetest, they just want to learn the key to reading so they can be successful readers.”

Empowered to Learn!

Considerations:

- Transportation needs
- Increase participation
- Support for overall reading growth
- Date or time changes
